The Elaine

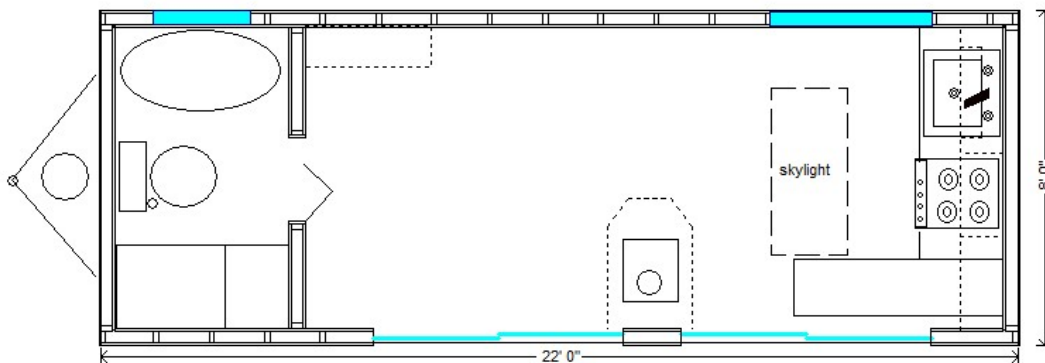

The "Elaine" Cabin is a premier "Tiny Home" and one that we are very proud of! It takes all of the comforts of home and packages it into an appealing and tasteful tiny home package.

A kitchen that has everything! Range, refrigerator, micro-hood and ample cabinet space make this tiny kitchen functional yet pleasing to the eye. The large sliding glass doors makes this area feel open and spacious.

At only 8 feet wide this is truly a Tiny Home and it can be towed anywhere by a ¾ ton truck or larger. All the conveniences of home, made portable!

In this bathroom we were even able to get in a tub! In this particular cabin not much is given up in order to go small!
